Remarkable Gain Except Drive
is Gaining Momentum.

GOOD SHOWING AT MILROY

Subscriptions Amounting to \$132-
000 Must be Obtained Before
Minimum Quota is Reached.

TOTAL FOR COUNTRY

Washington, April 13.—Liberty Loan sales during the first week of the 28 day campaign totaled \$539,426,000, according to official treasury figures early today.

Three hundred and sixty-two thousand and nine hundred dollars worth of Liberty Loan bonds have been sold in Rush county! Gaining momentum each day, the drive continues with increasing force and enlarging bond subscriptions at the close of each day's sales.

Yesterday's sales totalled \$90,100 which in addition to yesterday's report of \$272,800 makes the grand total of \$362,900 worth of bonds which have been sold. This report includes the returns from all of the thirteen banks of Rush county with the exception of one Rushville bank.

No one factor is responsible for the marked jump in yesterday's sales over those of any other day with the exception of the first day of the drive. Men and women are working, townships are having meetings, banks are boosting, merchants are advertising, patriots are talking "bonds," and the contagious spirit which has been caught in every corner of the county is now beginning to show its effect. The rolling up of the bond sales from day to day is a result of all these things.

Ten thousand dollars was added to the total by the Anderson township canvassers who had an enthusiastic meeting yesterday afternoon in the Milroy bank. Although some of their returns had been handed over to the banks, bonds amounting to ten thousand dollars were added yesterday and the canvass of the township has not been completed.

Several other banks in the county gave reports that showed a substantial stride in the bond sales which aided in making the total climb over the \$350,000 mark.

Rushville township workers had a short session in the court house yesterday afternoon and talked over the best plans for the remainder of the canvass. The sentiment was voiced at that meeting that people should be encouraged to talk—talk the bond sale and aid in that manner of advertising.

With today's report, the sum of

Center Township Women
Not Slow Selling Bonds

The Center township women are far from slow as bond salesmen. Their sales of only a few days' canvass totalled \$6750, with \$1,450 of that amount added in 1 day's work on Thursday. Mrs. C. S. Harter is township chairman of the energetic corps of workers and their initial success has only spurred them on to finish with "flying colors." Yesterday's paper stated that their total sales were \$1,450 whereas that amount was raised in one day's time.

WHAT DISTRICT HAS DONE

Indianapolis, April 13.—The Liberty Loan total for the seventh reserve district today was \$29,100,950. Seventeen counties have raised their quota.

\$132,100 worth of bonds are to be sold before the minimum allotment is reached and the oversubscription is started. Although predictions are that this will be reached early next week, every dollar and every helper is needed to do Rush county's part in putting the county "over the top" with the honor that has marked previous drives.

GERMAN AUTHORITY
TO SPEAK ON SUNDAY

Dr. Sherman Davis Will Address Patriotic Meeting at Christian Church at 7:30 p. m.

WAS REQUESTED TO RETURN

Dr. Sherman Davis of Indiana university will address a union mass meeting at the Christian church tomorrow evening at 7:30 o'clock, giving a patriotic lecture and telling of Germany's preparation for the present conflict and their side in the war. Dr. Davis bases the facts that he gives on experience he had during his stay in Germany and speaks with authority regarding the enemy.

Because of the reputation gained here by his speech last Saturday, Dr. Davis' coming is awaited with interest and it is expected that the church will be packed to hear him. Mrs. Davis, who studied music in Germany, will sing at the opening of the meeting. Everyone is invited to attend.

GRAND JURY FINDS
THREE TRUE BILLS

One Indictment is Against Young Men in Jail Accused of Robbery at Gings

OTHER FOR ARLINGTON THEFT

The grand jury has adjourned returning three indictments. One of them accused James Arnold Alzman and Earl McKee of Arlington of breaking into the home of Nathan R. Farlow in Arlington and stealing a quantity of meat. Each gave bond for \$1,000 today. They had previously been arrested on an affidavit for the same offense and had been at liberty on bond.

One of the other two indictments accuses Orval Ralston and Omer Smith of breaking into Jake Chilton's general store at Gings and stealing merchandise. Ralston and Smith were arrested several days ago on an affidavit charging the same thing as the indictment and have been in jail ever since.

It is understood that the other indictment is against men who were arrested recently on an affidavit for theft.

WAR PICTURES PLEASE

The war pictures shown at the Graham Annex auditorium last night was highly appreciated by an audience of 250 people. The vivid description of the war rivals anything of its kind ever shown here and is the first of a series of interesting pictures of that nature to be shown under the auspices of the school.

DRAFT AMENDMENT PASSED

Draftees in Class One Will Determine Military Quota.

(By United Press.)
Washington, April 13.—Following a bitter three day fight, the house today passed the amendment to the draft law providing that men for the national army shall be selected on a basis of the number of men in class one rather than on the population. The measure was passed by a vote of 325 to 3.59 OUT OF 60 ARE
GIVEN DEFERRED CLASS

Army Board Receives Rulings on Industrial and Agricultural Claims of Registrants

LOWEST CLASS RULING ONE

The names of the registrants and their classification by the district board will be found on page 7.

The county army selection board today received a report on sixty industrial and agricultural claims of Rush county registrants from the district board at Fort Wayne. With one exception deferred classification was given, although not always as asked by the registrant.

Fifty-seven of these registrants are already in class four on dependency rulings of the local board and the other three are in class three for the same reason. Two of the registrants already in class three were also placed in class three on agricultural claims and the other one in class three was denied deferred classification on an industrial claim. This was Clifford McGinnis of this city, who is employed at a local railway station. Haskel D. Higgins of Manilla was given class two on an industrial claim. He is a railroad worker. The lowest classification is the ruling one so that farmers who are already in four on dependency and were put in two or three on agricultural claims, will not be called until class four men are ordered to camp.

PLEADS GUILTY TO
OPERATING LOTTERY

J. T. Woodward of Indianapolis Admits Charge of Selling Ticket On a Chance

\$1,000 WAS TO BE DIVIDED

J. T. Woodward of Indianapolis was arraigned in circuit court this morning on an affidavit charging him with operating a lottery in violation of the law, and when he pleaded not guilty, Judge Sparks took his case under advisement. Mr. Woodward is an old man and it is understood that representations were made to the court that he was making an effort to get into the Marion county infirmary.

The affidavit, which was sworn out April 4, alleges that about March 20 of this year Woodward unlawfully sold to John M. Blades in this county for fifty cents "one certain ticket and share in a certain lottery and gift scheme for division and distribution by chance of \$1,000." It is alleged that he represented the Louisiana Investment company, at whose offices at New Orleans the drawing was to take place April 1 of this year.

24 KILLED IN PARIS RAID

(By United Press.)
Paris, April 13.—Six men, 15 women, and 3 children were killed and 62 injured in last night's air raid over Paris, it was officially stated this afternoon.MAKE NEW FLOUR
AND SUGAR RULES

Rush County Grocers in Meeting Yesterday Afternoon Set Sugar Price

CONSUMERS ARE ON HONOR

Administrator Says Grocers Have the Patriotism Without the P-a-y in It

New sugar prices were set and the flour limit for sales was again lowered to five pounds for city customers and twelve for country ones at the important meeting of the grocers of Rush county held in the court house yesterday afternoon.

Soft sugars will sell for nine cents a pound, granulated sugar in bulk for nine and one-fourth cents a pound, and granulated sugar which is boxed for nine and three-fourths cents a pound in the future. The price was fixed by the grocers after a careful consideration of prices of sugar and shipping and the government regulation that not more than one cent profit should be allowed per pound for any sugar. Sugar sales are limited to five pounds for city customers and ten pounds for those in the country. The consumers face on their honor not to purchase more than three pounds of sugar a month for each member of the family.

The government is promising that sugar will be supplied for the canning season. Householders are asked not to hoard sugar in preparation for the season and when the time comes to buy the sugar that is needed for canning only.

The fifty-fifty rule in the sale of substitutes still holds good. An equal amount of substitutes shall be sold with every purchase of flour and substitutes purchased at any other time than that when the flour is purchased will not count. Because of the flour shortage and the strong appeal of the government to conserve wheat, the grocers decided to return to the rule of twelve pounds of flour to a country customer and five pounds to a city one. The purchases can be made often enough to procure one and one-half pounds per week for each member of the family, although the government is making a strong appeal to do without the wheat flour as much as possible until after harvest.

The ruling to return to the five and twelve pound limit was made, not by the state administration, but by Rush county grocers. Since the recent announcement was made stating that people were asked to do without wheat altogether is possible, grocers stated that many consumers had taken advantage of the fact that they could order 25 pounds of flour and had ordered more frequently than they were entitled to. In the face of the shortage of flour and the fact that some consumers have taken advantage of the raised limit, the grocers decided to take that means to try to make their flour supply last as long as possible and protect the consumers who are abiding by the rulings.

Although grocers are on the lookout for persons who disobey the rules by buying flour and sugar more frequently than they should, the responsibility is placed on the customer to abide by the rules. Instances have been cited where persons have bought their full allotment of flour at more than one store within the same week. If the future such cases will be reported and dealt with in the strictest manner. Administrator Lovett also announced that for the protection of grocers who were abiding by the rules, he would deal severely with any grocers who did not abide by the rulings on the scarce foods.

"You grocers have shown a fine spirit," stated Mr. Lovett. "I believe that you have the right kind of patriotism."

AGREE TO ABIDE
BY NEW RULINGS

Hotel and Restaurant Owners of County Will Follow New Restrictions of Food Administrator

HOLD MEETING HERE FRIDAY

R. S. Kiser of State Administration Explains New Wheat Orders—One Wheatless Meal a Day

Cracker jars and sugar bowls will be taken off the tables; no more macaroni, noodles, spaghetti, shredded wheat or puffed wheat, will be served; there will be one wheatless meal a day and two wheatless days a week at the hotels, restaurants and boarding houses of Rush county since the owners of these places reached this decision at the meeting at the Scanlan House yesterday afternoon when they heard a talk by R. S. Kiser of the state food administration, of Indianapolis.

"We will have to abide by these rules; we will have to do all in our power to enforce the restrictions of the food administration; we will have to give our time when we are asked to do so; we need not expect any thanks for it and we need not expect any praise for it. We cannot fight and it is our duty to do everything else that we can to help win this war," stated Mr. Kiser in putting up to the members of the association the responsibility that rests with them in the conservation of food.

The conservation of food is one side of it and the enforcement of the pure food laws "come hand in hand with it," he stated, after telling of several instances where owners of public eating houses had refused to abide by the pure food laws and their places had been shut down as a result. Too, he stated that such publicity had been given to restaurants and hotels that had refused to obey the conservation restrictions, that they had been forced to sell out.

The members of the association at the meeting yesterday decided to use substitutes in every way possible. At one meal a day and on two days a week, no wheat bread will be served at meals unless it is asked for. In case a customer asks for white bread, the waiter may give him Victory bread. Not more than two ounces of wheat bread shall be served to a customer with a meal. Bread plates, with bread on for several customers, shall be taken from the tables. Pie can be served at wheatless meals if the crust is made from 33 1/3 per cent substitutes.

Mr. Kiser suggested yesterday that a good pie crust could be made from 80 per cent rye flour and 20 per cent corn flour or meal. The two substitutes could be used in any quantity in making pie crust and with corn flour, unless shortening is needed, he stated.

It was decided to hold the next meeting of hotel, restaurant and boarding house keepers at the Cozy Cafe on the first Friday in May.

ESCAPES GAS ASPHYXIATION

Carthage Music Instructor Overcome by Poisonous Gases

Miss Madge Wilkins, instructor of music and art in the Carthage schools narrowly escaped asphyxiation by fumes from a base burner Thursday afternoon.

Miss Wilkins had been ill for several days and while asleep in the room with the stove, fumes from a clogged vent in the flue, filled the room. She was found unconscious in the room by J. F. Tweedy but revived when taken into the open air.

Mrs. Walter Capp who has been seriously ill at her home south of the city, is improving.

British Withdraw to Mile West of Merville Today After Friday's Heavy Fighting

OTHER ENEMY ATTACKS FAIL

Germans Gain Footing in Eglise But Are Held Everywhere South of LaBassée

HANGARD IS RECAPTURED

Counter Attacks Drive Enemy Out of The Village, Paris War Office States

(By United Press.)

With the British Armies in France, April 13.—The British front after continuous fighting all day yesterday between LaBassée and Messines bridge, was withdrawn about a mile west of Merville early this morning and placed along the eastern end of the Mieppe forest.

Manned German divisions are exerting fresh pressure toward Bailloul from the south, determinedly attempting to make a showing on the front there.

Repeated enemy attacks between Givenchy and Locon failed. The Germans gained a footing in Eglise but were held everywhere south of LaBassée while some enemy strong points were stormed near Givenchy.

Renew Attack on U. S. Sector

Paris, April 13.—The Germans have renewed their attack in the Acremont forest on the American-Toul sector, the French war office announced today.

"Americans co-operating with us fought vigorously, breaking down most of the enemy attacks. Forty prisoners have been taken in this region since yesterday."

Allied troops again hold the village of Hangard 10 miles southeast of Amiens, the war office announced. Counter attacks drove the enemy out of the village.

"Between Montdidier and Noyon on a 20-mile front there were lively bombardments," the statement said. "Two enemy surprise attacks failed."

"Reims has been bombarded continually and partly set on fire."

Hold Flanders Front.

London, April 13.—The British are holding all points on the Flanders fighting front and in one place advanced slightly. Field Marshal Haig reported today.

"We advanced slightly and took prisoners in the neighborhood of Festubert," said Haig.

"East of Locon the enemy, in a strong attack succeeded in entering the line at certain points, but was driven out and a second attack was beaten off."

The British continued to hold Bailloul. Reinforcements are strengthening their line, but the situation is still critical. Heavy fighting is continuing, Haig reported.

Enemy Loss Estimated 333,000

With the French Armies in the Field, April 13.—Of a total of 200 German divisions (2,400,000 men) on the west front 115 have already been engaged. Of these 75 have been withdrawn on account of losses which according to Prussian methods, have reached about 2,500 to the division. Adding the estimated losses of divisions still engaged makes the total minimum losses of the enemy 333,000.

Never Ceases Pressure

With the British Armies in France, April 13.—From LaBassée to Holbeke General Von Quast's army, with the city, is improving.

HOG PRICES ARE 25 CENTS HIGHER TODAY

Quotations Advance in Indianapolis With Receipts Half of What They Were Yesterday.

CORN IS FIRM AND OATS WEAK

Hog prices advanced twenty-five cents in Indianapolis today with receipts 2,500 just half of what they were yesterday.

The corn market held firm and prices were unchanged and the oats market was weak.

ENEMY BOMBARDS LONDON

Four Airships Participate in Night Raid Over England.

(By United Press.)

London, April 13.—Four airships participated in last night's enemy air raid. Two penetrated inland a few miles, another reached the mid-land counties while others flew over the northwest coast. Bombs were dropped in the open country inflicting considerable damage.

Two men, a woman and 1 child were killed and 15 persons injured in last night's raid on England. An American soldier died of a shot during the raid.

LOCAL BOY LEAVES FOR WASHINGTON D. C.

John Mills Has Taken Position as Accountant in Government Work At Capitol

WAS SENIOR IN HIGH SCHOOL

John Mills leaves tomorrow for Washington, D. C., where he will accept a position as accountant in some department of government work. Mr. Mills, a Senior in the local high school, took the civil service examination there recently and not long ago received a call from the government to accept the position at a salary of \$1,000 a year.

Examinations are being given every month by Clarence Cross. The next one will be held April 30. Others will be conducted on May 28 and June 25. There are two examinations that can be given. One is for a clerk and bookkeeper and the other for a bookkeeper and typist. Persons interested in the details of the work may consult Mr. Cross at the postoffice.

SEED FOR WHEAT MAY BE KEPT BY FARMERS

State Food Administrator Decides Planters Should Not Market Good Seed

SHOULD KEEP ONLY ENOUGH

Farmers will not be required to market stocks of wheat set aside for seeding purposes, according to the latest order received by M. F. Lovett, county food administrator, from H. E. Barnard, state administrator. The order reads:

After conferring with members of the U. S. Food Administration and with the Indiana State Council of Defense, I feel it inadvisable to require the farmers to market stocks of wheat which have been set aside for seeding purposes. The 1917 crop was of excellent quality. There is little doubt but that the present crop will at least be sufficient in amount for seed, but the quality may be poor. No farmer should be al-

BERT ALDRIDGE DIES AFTER SEVERE ILLNESS

Young Farmer of South of the City Succumbs at Hospital Here This Morning

FUNERAL TO BE ON MONDAY

After a very critical illness of three weeks, Bert Aldridge who lived six miles south of the city, died at the Dr. Sexton hospital here this morning. Mr. Aldridge's illness and death were caused by kidney, heart and liver trouble. Since being taken to the hospital, he had been in such a serious condition that an operation was not performed.

He was 38 years of age and had always made his home in this county where he has been engaged in farming. He was a member of the Milroy Methodist church and of the Knights of Pythias lodge of this city. He was well and favorably known throughout the county.

His widow, formerly Miss Hattie Sampson, and his seven-year-old daughter, Alice survive him. He is also survived by his father, J. B. Aldridge, of Huntington, Ind., two brothers, Walter and Shirley Aldridge, one sister, Mrs. Myrtle Renegar of Carthage, two half brothers and two half sisters.

The funeral services will be conducted at the residence six miles south of the city on Monday afternoon at 2 o'clock with burial in East Hill cemetery. The Knights of Pythias will meet at the hall at two o'clock Monday afternoon and meet the cortege as it reaches this city.

lowed to hold wheat in excess of his own seeding requirements.

The results of our "Bring in the Wheat Week" campaign have been very gratifying. I urge that you continue to make every effort to obtain the marketing of all available wheat.

Miss Reth Gilson is suffering with a severely sprained ankle which she sustained a few days ago.

A Message from America's Roads

SECURE certainty of service in Tested Tires. They give sure service because it is proven service. Their endurance and mileage have been proved in the one way to assure mileage to the motorist, on the car on the road.

Hearken to that 1918 message, the roads of America send American motorists. Last year Goodrich, launching six Test Car Fleets in six widely different regions of our country, took Goodrich Tires, and with light and heavy cars mauled them over sand, gravel and rock roads of plains, deserts and mountains, to try out—

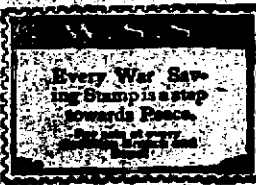

GOODRICH TESTED TIRES

What those tires endured doubled Goodrich's pride in its tires. They fought America's roads through 4,178,744 tire miles. They conquered the roads of America in that phenomenal mileage, those BLACK SAFETY TREADS and SILVERTOWN CORDS.

Let American motorists listen to this message from America's roads. It means time and money saved them. They get lasting service with the tires that have won the title, "America's Tested Tires."

the most desperate determination, did not cease its pressure for a single moment Friday.

Amiens Cathedral Hit

London, April 13.—German gunfire has scored a direct hit on the Amiens cathedral.

Days Pickings

Theodore Abercrombie is very ill at his home in North Main street.

The quiet title suit of Lela Akers against Peter C. Akers and others has arrived in the Rush county circuit court for trial from the Shelby circuit court on change of venue.

Michael Katsoras, owner of the Greek candy kitchen, who has been in training at Camp Taylor, has been transferred to Camp Logan, Houston, Texas, where he has been placed with the 13th company of the second regiment of recruits.

Allen R. Holden, former county auditor, has sold his farm of 27 acres just south of the city to Chas. French of this city and moving back to his home in East Seventh street.

E. O. Houchins, a dairyman of this city, has rented the farm of Mr. French and will move there soon.

Mortgages From Uncle Sam

Indiana farmers, whose financial experience heretofore may not have included buying Government bonds, were quick to catch the suggestion that these securities are identical in their character and security to the more familiar and less welcome mortgage. The farmer understands that when he borrows money, he gives a lien secured by his land. He now understands that a Liberty Loan Bond is of exactly the same character in that it gives to its owner a lien upon all the lands and wealth of the United States Government. The only difference is that Uncle Sam signs the note and guarantees the payment of all Liberty Loan Bonds.

THRASHERMEN FORM AN AUXILIARY HERE

Purpose of Organization is to Provide Insurance for Employers of Thrashers

THE MEMBERSHIP FEE IS \$22

At a meeting of thrashermen held in the court house yesterday afternoon, a branch membership of the Thrashers Mutual Compensation company was started.

The movement to provide insurance for employers of thrashers who are liable for any injury incurred by their employees during the thrashing season, has been started by the Indiana Brotherhood of Thrashermen. To become an incorporated concern, the sum of \$25,000 has to be raised by the first of June. Membership in the company is \$22 and if the money is not raised in the allotted time, twenty dollars of that amount will be returned to persons who have joined. The sum of \$25,000, which is to be raised, has passed the half way mark, it was stated by the representative of the company here yesterday.

With The Churches

At the Main Street Christian church Bible school Sunday morning 9:15 there will be a determined effort to take Trench 700 under the leadership of Captain Wilbur Stiers. Miss Hazel Lewis a National worker will be present to assist. At 10:30 the pastor will speak on "The Mind of the Master." At the evening hour there will be a union services of all the churches to hear an able address by Dr. Sherman Davis of the State Council of Defense. Thursday 7:30 prayer and praise service led by Mrs. Roy Waggner. A welcome is extended to any or all of these services.

At the First United Presbyterian church Bible school at 9:30, preaching at 10:45 when the call of the Armenian and Syrian relief work will be presented and at the close of the service an offering will be received for the benefit of this work. At 6:30 there will be a meeting of the Y. P. C. U. after which the congregation will join in the union services at the Christian church at 7:30. There will be congregational prayer meeting on Thursday evening at the church at 7:30.

Manilla Methodist: Preaching next Sunday will follow the Bible school, which will meet at the usual hour. Preaching again at 7:30 p. m. Matters of vital importance should be participated in by all who can possibly be present. The government is expecting much from the churches. This exhortation applies to the meeting at Pleasant Ridge, at 2:30 p. m. also. F. M. Westhafer, minister.

First Baptist church, C. J. Bunnell pastor, residence 612 North Morgan, Phone No. 1911, Sunday services as follows: Sunday school, 9:30; praise service at 10:45. The pastor will be out of the city over Sunday so there will be no preaching service. The church will unite in the union service at the Christian church Sunday at 7:30 p. m. Baptist Young Peoples Union at 6:30.

St. Paul's Methodist Episcopal church, the Rev. Clyde S. Black, pastor: Sunday school, 9:30 a. m., in charge of Supt. H. C. Flint; Morning worship at 10:30 with sermon by the pastor, theme, "My Brother's Keeper;" Junior league at 3 p. m.; Epworth League at 6:30 led by John S. Moore. No services at night due to union meeting.

At the First Presbyterian church: 7:00 a. m. "quiet hour;" 9:30 bible school; 10:30 divine worship, sermon, "The Crisis in the Orient." There will be no evening service on account of the union service at the Main Street Christian church.

At St. Mary's Catholic church the services will be conducted by the pastor, the Rev. M. W. Lyons. Masses will be read at eight and ten o'clock in the morning with the vesper and benediction service at three o'clock in the afternoon.

The services for the United Presbyterian church at Glenwood will be Sunday school at 11:30 and preaching at 2:15.

THERE is no other corn planter in the world like the J. I. Case. It's the remarkable planter that drops 20 more perfect hills out of every 100. Thus in this way adds 7 bushels per acre to your corn crop. That increases your profits \$350.00 for every 40 acres you plant. We invite you to call and see this planter. See how it will actually pay its cost several times the first year you use it.

Come into our store any day and we shall be glad to demonstrate this machine. We want to show you the polished beveled plans, the two cut-offs, the drive from the main axle, and a host of other features. But best of all we want you to see right here a proof of accuracy in planting that will surprise you—it will do the same thing on your own farm.

TEN YEARS' MISERY ENDED

J. T. Chambers, merchant, Jonesboro, Ark., writes: "Foley Kidney Pills cured me of a ten-year standing case of rheumatism. I suffered miserably. A friend told me of being cured: so I used them, and they cured me, too." Most middle aged men and women are glad to learn that Foley Kidney Pills afford a way to escape sleep disturbing bladder weakness, backache, rheumatism, puffiness under eyes, stiff and swollen joints, and other ills attributed to kidney troubles. F. B. Johnson. (Adv.)

Holding Up Improvements

Legal means of holding up building and improvement enterprises in the country, which have been discouraged in Indiana by resolutions of Indiana State Council of Defense have just been announced to the council coming from the War Industries board. This board announces its purpose to withhold priority assistance, without which it will be practically impossible for contractors to secure supplies or transportation facilities for the work proposed, the board having full federal control of such matters. This decision may have some effect on the proposed construction of some new roads in Rush county this summer.

A special bulletin from Arthur H. Fleming, chief of the State Councils section of the Council of National Defense has just come to the attention of the state council. This quotes the resolution adopted by the War Industries board, which goes farther in its determination to prevent improvement enterprises than did the declarations of the policy of the War and treasury departments, upon which the policy of the Indiana state council was based.

Within the past two weeks inquiries have come to the state council as to its attitude toward such work as the construction of a sewer at Cambridge City, the building of a school house at Crawfordsville and the erection of a grain elevator at Geneva. In each instance the council reiterated its policy of urging that these proposals be weighed by the test: "will the men, money and materials, so applied best contribute in this manner to the winning of the war," county councils have been so notified.

Castor Oil for Airplanes

The flying machines above the battle-fields in Europe are making a new call upon farmers and manufacturers of the United States. Not content with the large quantities of gasoline which they are drawing from this, the greatest gasoline producing country of the world they are now demanding castor oil. Under the rapid changes in temperature and air pressure which these machines must encounter in constant transitions from low to high elevations, they must have a lubricant which will flow under all conditions of temperature and atmospheric pressure, forming a thin film over every bearing and which will not carbonize. Castor oil has been found the most satisfactory lubricant under the circumstances, and as a consequence hurry calls have come to the United States, which is a limited producer of castor oil, for such supplies as may now be available and for a great increase in production as soon as this can be accomplished. United States is probably the second world producer of castor oil, of which the world's demands have so constantly and unexpectedly developed.

The Right Spirit

"I don't give a damn for a church member who doesn't hate sin," shouted Billy Sunday in a Chicago sermon recently. "And I don't give a damn for an American who doesn't hate the kaiser and all he stands for."

This quotation was repeated by Dick Miller in a speech to the Indianapolis Rotary Club the other day. Dick Miller endorsed the sentiment because he believes that Americans have not inculcated in themselves the proper spirit of hatred for the baby-killing Huns; they have not fostered real, heartfelt anger at the rape in Belgium; they have not taken this barbarous war to their own hearts.

The point is that unless we promptly back up our government in its calls for loans, these atrocities will be at our own doorsteps before we know it.

Then what kind of Americans are we if we fail to give our full measure of dollars while our sons are giving their full measure of blood, for OUR country?

An American lately returned from Germany states that among the many Americans still in that country not one has been accused of any overt act against that government. Certainly not. They have accepted the courtesies and protection of the government, even though it be only for a session, and Americans are not given to abusing the hospitality of a host. We wish we could say the same for many German subjects in this country.

BUYS 72,129 SKINS DURING THE SEASON

W. S. Oneal, Local Furrier, Pays Out \$80,287.83, Which is Largest Sum He Ever Invested

\$17,500 IN RUSH COUNTY ALONE

That last winter was an exceptionally good season for trappers both in the abundance of heavily furred animals caught and the unusually high price of sale, is confirmed in a recent report made by W. S. Oneal, a local furrier.

Mr. Oneal spent the winter purchasing and selling fur and states that during the winter he handled 72,129 skins which brought \$80,287.83. Of this business \$17,500 was done in Rush county while the remainder embraced northern Indiana and Michigan. The buyer stated that the past winter was the most remarkable which furriers have ever enjoyed due to the additional number of skins obtainable as well as their advance in price.

The skins handled by Mr. Oneal during the past season are as follows: 11,539 skunks; 1,399 coons; 14,500 opossums; 44,179 muskrats; 89 red fox; 56 gray fox; 144 house cats; 161 weasels; 11 moles; 2 deer skins; 45 rabbit skins and 3 sheep pelts.

Over in England they have sentenced a man to prison for derogatory remarks about the United States. It's very humiliating to have to be taught the first principles of loyalty to a friend and ally, but we will have to endure it.

Rubber consumption in the United States last year was 50 per cent greater than in 1916. It's possible that Uncle Sam is getting ready to bounce the Germans.

BUY THRIFT STAMPS

60 REGISTER FRIDAY

Thanks to the various meetings held in the court house yesterday the registration board had a busy day and 60 voters made out their registration papers for the general election. A large majority of those registering were men from the country and today the farmers started out to keep up the record made yesterday for a number of them had registered by early today.

"OUR STANDBY"

Ohio Lady Tells How Black-Draught Liver Medicine Keeps Her Family in Good Health.

Hillsboro, Ohio—Mrs. Myrtle Jenkins, of this address, says: "I cannot say too much for the benefit me and my whole family have derived from the use of Black-Draught. It is our standby and as we often say 'our doctor bill saver.' If one of the children begin to complain of head or stomach ache or any of the signs that go with a torpid liver, or constipation, I give them a good dose of Black-Draught and they most always get alright. I often feel out of sorts and get a bad taste in the mouth, then I take a good dose."

I at one time had a case of chronic constipation and was nervous and run down on account of it. Also had awful headaches. I would take pills and other medicines that would gripe me and then I would be more constipated than ever. This is how I first began the use of Black-Draught, first in full doses, then in small doses, and was cured."

My children get a cold and I have never found a better laxative. I cannot say too much for what Black-Draught has done for us."

Theodore's Black-Draught should be in your medicine chest. Get a package today. All druggists. 25 cents a package. One cent a dose. NCB-12

Ford

THE UNIVERSAL CAR

It is no longer necessary to go into the details describing the practical merits of the Ford car—everybody knows all about "The Universal Car." How it goes and comes day after day and year after year at an operating expense so small that it's wonderful. This advertisement is to urge prospective buyers to place orders without delay as the war has produced conditions which may interfere with normal production. Buy a Ford car when you get one. We'll take good care of your order—get your Ford to you as soon as possible—and give the best in "after service" when required.

**Doctor said,
"Bio-feren had
done wonders
for her."**

Case 1724—School teacher; Residence—Kentucky; severe operation; left her weak, anemic, nervous; low vitality. Physician recommended Bio-feren. Two weeks' treatment showed remarkable improvement. Doctor reported, "Bio-feren had done wonders for her."

Another case—Pennsylvanian, reports: "I have taken about one-half of the Bio-feren pellets and must confess that I feel like new."

A Kentuckian woman says: "I have taken Bio-feren regularly and feel much benefited. I can use my arms much better. However, can not get my hands to my head sufficiently to comb my hair, but I feel that I will soon be able to do that."

You want the vigorous health and ruddy beauty that is dependent on strength, nerves and red blood. Everybody does. Read those reports above, again. You, too, if you are dragged down in health and strength because of overwork, worry, nerves, and similar causes can rebuild your health and strength with Bio-feren. It is not a stimulant. It is a builder—a builder of better health.

Bio-feren contains some of the best ingredients known to the medical world, and is indicated for the treatment of run-down conditions due to overwork, worry, anaemia, melancholia, nervous debility, debility following infectious diseases, convalescence from acute fevers, etc.

There is no secret nor mystery about Bio-feren. Every package shows the elements it contains. Ask your physician about it, or have him write and we will send him complete formula.

And don't forget that Bio-feren is sold only on condition that you will return the empty package and allow us to refund your purchase price if, for any reason, you are not fully satisfied. Please bear that in mind for it is very important.

Bio-feren sells at \$1.00 for a large package. Your druggist can supply you or we will send it direct upon receipt of \$1.00; six packages for \$5.00, should you have any trouble in securing it. The Sental Remedies Company, Masonic Temple, Cincinnati, Ohio.

SAMMIES LIKE TO GET LETTERS

States Lt. Leonce Smith Who Writes
Letter to Earl H. Payne from
Kelly Field

THE TRAINING IS DESCRIBED

Tells of Four Steps in Instruction of
Flyers in Uncle Sam's Army
of Aviators

That the Sammies deeply appreciate all mail they receive is shown in a letter recently received by Earl H. Payne from Leonce Smith, formerly of this city, who is in the Texas training camp at Kelly Field Number 2. The plan of writing every week to the boys on the honor roll at the Methodist church has been forwarded by the Epworth League by handing out the names and addresses of the twenty-four boys each Sunday night with the request that that Sammy receive a letter during the following week. At a service held recently Mr. Payne drew the name of Lieut Smith and in response to his letter received the following one from the soldier:

"Was more than glad to hear from you as I thought nearly every one in that town had forgotten about me as it has been so long since I have been there. It is certainly wonderful work and I am sure it will be very much appreciated by everyone who receives any of your letters to have you or any other member of the church writing them. Receiving letters when in the army is one of the real, and in fact, the greatest pleasure that a soldier has. It puts new life into a fellow to know that the people back home still remember him.

"I do not know whether you will be interested or not but will tell you just a few things about life in one of Uncle Sam's flying schools. The course of instruction consists of two schools, the primary and advanced school. The primary school is divided into four stages: namely, dual control, first solo, second solo, and cross country.

"In dual control stage, the cadet rides in the rear seat with the instructor in the front seat. He flies in this manner for about eight hours, or until he can land the ship and take it off the ground satisfactorily. He is then transferred to the first solo stage when he flies the ship alone, making landings and taking off for about eight hours, and at the same time practicing a very small amount of air work or learning how to control a ship in the air. He is then transferred to the second solo stage where he practices spiraling into a field and cutting a figure eight at high altitudes. He is also taught in this stage the margin of safety and the different positions in which a ship can be placed and yet be reasonably safe.

"He is then transferred to the cross country stage where he makes short cross country trips not longer than forty miles each way. After making three of these trips he is sent on a short observation trip consisting of about fifty miles, after the completion of which he must draw a map of the territory he has covered and explain any points of interest he has observed. After passing that stage he has passed the test required to make him a Reserve Military Aviator and is recommended for his commission which he receives in about 15 days.

"He is then sent to an advanced training school where he either receives instructions in flying pursuit planes, bombing planes and reconnaissance or artillery observation. I did not, however, go to any of these schools but was sent to a school for instructors where we are taught to tail-spin, loop and in fact do anything in the air with the ship that is possible within a small factor of safety.

"Was very glad to get the smile-age book as it comes in very handy."

NO, HE COULDN'T MARCH

Camp Zachary Taylor, April 13—One of the many stories told of the Kentucky mountaineers, drafted and sent to this camp follows:

A selected man from the hills of Kentucky was being examined by

Don't Hesitate to Ask Questions

Are you doing enough driving with lights off to keep your battery properly charged?

Are you replacing the evaporation, which is always going on, by a proper amount of distilled water?

Are you sure current isn't being lost daily by some defect in wiring or connections?

Does current flow freely?

If you'll stop the next time you see our service sign, we'll be glad to answer as many questions as you can find time to ask.

And don't forget to include an inquiry about the Still Better Willard with Threaded Rubber Insulation.

HARRY JONES, Agent

Easily the most interesting figure to the general public of all the famous suffragists in Indianapolis next week will be Dr. Anna Howard Shaw, honorary president of the National American Woman Suffrage association. Dr. Shaw comes to Indiana for the meeting of the executive council of the National Suffrage Association which opens Wednesday, April 17th, but will arrive in Indianapolis to be present for the opening sessions of the 7th annual convention of the Woman's Franchise League of Indiana. On Tuesday night, April 16th, she will give the address at the evening meeting of the Convention which is open to everyone interested in suffrage whether or not they are delegates to the Convention.

Dr. Shaw is perhaps the best known woman in America today. After many years of work for suffrage are likely to be crowned this month by the passage of the federal suffrage amendment, which she helped to draft forty years ago.

Work for the Rush county Red Cross was begun yesterday by the members of the Falmouth Priscilla Art club at the all day meeting which was held at the home of Miss Stella Shortridge. For several months the members of the club have been doing work for the Fayette county chapter because of the fact that they are on the county line and part of the members reside in Fayette and part in Rush county. The girls have just completed a quilt for the Fayette county chapter and will begin similar work for the local chapter. The next meeting will be held in two weeks, with Miss Ada McConnell.

Social Calendar

Monday

Meeting of the Monday Circle in the afternoon with Mrs. Robert Mansfield, 1107 North Morgan street.

Mission Study class of Epworth League at church at 7:30 o'clock.

Shakespeare Club, with Mrs. Donald Smith in 840 North Harrison street in the evening.

The members of the Shakespeare Club will be entertained on Monday evening at the home of Mrs. Donald Smith in North Harrison street. At seven o'clock, the members of the first division will serve a "Hoover" supper, instead of having the refreshments later in the evening as has been the custom. The members of the second division will furnish the program for the evening.

The Mission Study Class of the Epworth League will meet in the choir room of the church on Monday evening at 7:30 o'clock. In the absence of the Rev. C. S. Black, who will be away at that time, Miss Ella Macey will lead.

Mr. and Mrs. Carlton Chaney entertained with a prettily appointed dinner party Thursday evening. The guests included Mr. and Mrs. William Coers and son Ordis and daughter Pearl and Mrs. Berne Purcells.

Red Cross Notes

Applications from young women for Red Cross service, overseas, should be made direct to Mrs. L. Dean Holden, 929 Garfield building, Cleveland, O., and not to the local chapters or councils of defense. Numerous inquiries have been made both of the Red Cross chapters and to the Indiana State Council, only to be followed by reference to the headquarters of the Lake division, at Cleveland.

Mrs. William Plessinger will be hostess to the members of the Loyal Daughters. Sunday school class of the Main Street Christian church Tuesday evening at her home, 802 West Third street. The assistant hostesses will be Mrs. Esta Webb, Mrs. Frank Melloway and Miss Ella Wilson.

Several from this city are planning to attend the dinner to be given in the Claypool Hotel in Indianapolis on Wednesday evening in connection with the state suffrage convention to be held there next week. Some of the national leaders of suffrage cause will attend the dinner.

The Ladies Aid society of St. Mary's Catholic church will be entertained Thursday afternoon at the home of Mrs. Edward Caldwell. Mrs. Joseph Caldwell will be the assistant hostess.

G. C. WYATT ON PROGRAM

George C. Wyatt is on the program for the annual convention of the state embalmers association to meet in Indianapolis on May 21, 22, and 23. Mr. Wyatt has been asked to deliver an address on "The Effect of the New Embalmer's Law." The examination for licensed embalmers will be held in Indianapolis on May 14, 15 and 16.

Unwilling Workers are Very Scarce

Registration of Women For Service During The War Meets With Success and Refusal to Sign Government Card is Very Rare. Many Express Willingness to Serve Now And at Any Place. All But Four Women in Mays Register.

The disloyal or unwilling workers among women in Rush county are exceptionally scarce according to the statistics gathered by the registration committee from every part of the county where the work is being carried on in full force.

The women registrars have found the women power in the county not only willing to give the desired information to the government but they are anxious to do so and as a result many clubs are registering one hundred percent, while many communities are on the road to that goal.

The fear of being taken into service and being sent far away from home at least is not prevalent among those who have already filled out the cards for on scores of the cards the clauses reading "when would you be willing to give your services?" have been promptly answered with "now" placed after the question. When asked "where would you be willing to go?" many more cards are being listed as "anywhere."

All of the township organizations have been completed and in most cases the women have been confronted with a very small percentage of refusals. Mrs. Charles Harton, of Mays, has a most edifying report from her town where every woman with the exception of four have filled out the cards. The oldest registrant of the town was Mrs. M. E. R. Haner who is eighty-four

Shake Off That Grip

When Spring comes, with its changeable weather and your exposure, it is best to clear away all the symptoms left after an attack of grip. That evil disease leaves you weakened, and when its victim attempts to "do his bit" he exposes himself to the risk of a second attack, for which he is less prepared, and which may have graver consequences.

There's Danger in Delay

April and May are pneumonia months. In this time a weakened system is a constant source of danger, for the pneumonia and grip infections are in the air, and after a long winter the body is so clogged with waste it cannot resist them. Fortify the health, remove the catarrh, and improve the digestion.

For Quick Relief PERUNA

This reliable tonic is recommended to remove the waste from the body, counteract the catarrhal poisons and allay the inflammation that is catarrh, restore the regular appetite and tone up the entire system to resist disease. A well man is safe.

As a tonic after grip it has won many commendations, while its effectiveness in catarrhal conditions is unquestioned. Take no chances—Take Peruna.

Peruna Tablets are always ready to take. You may carry a box with you and ward off colds and chills. The liquid medicine in your home is a great safeguard. Protect your family.

The Peruna Company, Columbus, Ohio

years of age. She is keeping house for her son and although she says her bit is small in comparison with what many women are doing she eagerly registered to show Uncle Sam that she is not an idler.

Committees from the Rushville township registration committee were stationed in all of the downtown department stores today from where the women were able to reach a large number of the women in town for the usual Saturday afternoon trade.

Every club in Rushville has been approached on the subject of registration and in each case the committee in charge has pledged a one hundred percent membership. No one in the county is being forced, under pain of exposure, to register.

"Registration is for women loyal to America," declared Mrs. Louis Lambert, county registrar, "and should not be forced on unwilling or disloyal women."

ABOUT 100 KNIGHTS OF COLUMBUS WILL GO

Plan to Attend Initiation in Connersville Tomorrow When 3 Degrees Will be Conferred

FIVE CANDIDATES FROM HERE

Between seventy-five and one hundred members of the Knights of Columbus of this city will attend the initiation which will be held in Connersville tomorrow when the first three degrees will be conferred on a large class of candidates.

The quarterly initiations are by far the biggest events of the year in a semi-sacred manner and in the evening several of the state officers, prominent in the Knights of Columbus work, will speak. The first degree will be conferred by the Brookville team; the second degree by the Connersville, Rushville and Indianapolis teams, jointly, and the third degree by Madison Walsh and staff of Washington, Indiana.

Those from this vicinity who will be taken into the order are Paul LaGrange, Patrick Hunt, and John Crawley, of this city, Peter Krauss of Mays and William W. Wright of Morristown.

35 MISSING IN ASYLUM FIRE

All Are Believed to Have Perished in Flames

Norman, Okla., April 13.—Thirty-five boys of the Oklahoma asylum for the insane were missing following a fire which destroyed three wards early today. The fire started in the boys' ward and the building collapsed before they could be reached. It is feared they perished in the flames. Twenty-five were carried from the building. The flames were spread rapidly by a strong wind.

REXALL DRUG STORE

Start Tomorrow and Keep It Up Every Morning

Get in the habit of drinking a glass of hot water before breakfast.

We're not here long, so let's make our stay agreeable. Let us live well, eat well, digest well, work well, sleep well, and look well. What a glorious condition to attain, and yet, how very easy it is if one will only adopt the morning inside bath.

Folks who are accustomed to feel dull and heavy when they arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning, before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the water and phosphate is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, bilious spells, stomach trouble; others who have sallow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store. This will cost very little, but is sufficient to make anyone's pronounced crank on the subject of inside-bathing before breakfast.

NOTICE OF FINAL SETTLEMENT OF ESTATE

Notice is hereby given to the creditors, heirs and legatees of America Jordan, deceased, to appear in the Rush Circuit Court, held at Rushville, Indiana, on the 20th day of April, 1918, and show cause, if any, why Final Settlement Accounts with the estate of said decedent should not be approved; and said heirs are notified to then and there make proof of heirship, and receive their distributive shares.

Witness, the Clerk of said Court, this 30th day of March, 1918:

GEO. B. MOORE, JR.,

Clerk Rush Circuit Court.

HULL'S SUPERLATIVE BUILDS VITALITY

HULL'S SUPERLATIVE is first and all the time a TISSUE-FOOD AND VITALITY-BUILDER. It contains ALL the important elements found in the human body, and which are necessary to the body to maintain good health. These minerals or tissue salts are employed by the body to make rich red blood, to build and repair weak, broken down tissue—to keep the body immune from disease. HULL'S SUPERLATIVE builds vitality. Vitality overcomes sickness and disease—makes a weak body strong and healthy.

A Single Bottle Will Prove It

HULL'S SUPERLATIVE is first and all the time a TISSUE-FOOD's food, highly concentrated and easily assimilated. It is just what a sick body needs and must have. HULL'S SUPERLATIVE fills you full of "pep" and "ginger"—makes iron men out of weaklings—gives you nerves of steel and a constitution that will throw off and ward off sickness and disease.

Good, robust health is in every bottle of HULL'S SUPERLATIVE. Your druggist personally guarantees it to do just what is claimed for it, or your money will be refunded without question or argument.

Hull's Superlative Is Composed of Seven Roots, Barks and One Berry

That's ALL HULL'S SUPERLATIVE contains, yet it contains ALL the invaluable minerals or tissue salts necessary to maintain health. Get a bottle of HULL'S SUPERLATIVE and prove to yourself that it is easier to keep well than it is to be sick or ailing all the time.

A single bottle of HULL'S SUPERLATIVE will prove to you that it is the "ounce of prevention" and the "pound of cure." Take it for coughs, colds, grip, tonsillitis, rheumatic conditions, stomach and nerve upsets, kidney, liver, bladder or bowel trouble. A single bottle of HULL'S SUPERLATIVE will bring the blush of health to your cheeks. It will charge your nervous system with renewed vitality AND YOU CAN PROVE IT.

Here Is Still More Evidence:

Findlay, O., Oct. 4, 1916.—The A. J. Hull Medicine Co., Findlay, Ohio, Gentlemen: Five years ago I had nervous prostration, was in a very run down condition and only weighed 128 lbs. My nerves were so weak I could not sleep nights and would lie awake most of the night, and in the morning would be all in and unfit for work. I got a bottle of your wonderful Superlative, and only took three drops at a dose. That one bottle relieved me and my weight increased to 166 pounds. Hull's Superlative is certainly a great nerve and body builder.

I am yours truly,
H. R. BEAMER,
822 N. Cory St.

Delta, Ohio, August 25th, 1917.—To whom it may concern: I have been going through the change of life and run down in flesh from 158 lbs to 100 lbs. and was so nervous that I could not get much sleep, and it seemed that my time in this world was short. Last February Hull's Superlative was recommended to me by my sister of Montpelier, O., whose boy was greatly helped with this remedy. I have now taken two bottles and have received great help. I sleep well nights now and my nerves are much stronger. My weight has increased 15 lbs. and I feel that by using this remedy a while longer I will come through the change in good health. My daughter had a severe cold and Hull's Superlative broke it up in two days.

MRS. H. ZEIGLER.

Lakeside Park, Dayton, Ohio, Sept. 8th, 1917.—The A. J. Hull Medicine Co., Findlay, Ohio, Gentlemen: Some time ago I saw in my paper your advertisement about your Superlative Compound. I had tried almost all kinds of medicines, but got no relief from stomach trouble. So I thought I would try your Superlative Compound, and so I bought a bottle, and now I am taking the second bottle and find it is doing me more good than anything I have ever tried. I commenced with 3 drops and I increased to 7 and 8 drops. I was troubled with nervousness and am much better now which I am happy to say. I am 73 years old, and feel better than I have for 10 years. I wish you would send to my address some of your circulars, I think I can do you some good in my locality.

Respectfully yours,
CHARLES JOHNSON.

Sept. 1st, 1916.—To whom it may concern: This is to certify that I have used Hull's Superlative in my family for 20 years or more and can truthfully say that there is no better medicine put upon the market; it has helped out when other remedies failed.

JOHN STEINMAN
Arlington, Ohio.

These men and women took HULL'S SUPERLATIVE and were made well and strong. HULL'S SUPERLATIVE will do just as much for you, if you give it a chance. So, if you want to be healthy and happy, go to your druggist and buy a bottle of HULL'S SUPERLATIVE. Take it according to the simple directions, and if you are not satisfied that it is helping you, take the empty bottle back and get your money. No offer could be fairer than this.

Dismissed After Trial
The case of John A. Knecht and Edmund Gartin, automobile dealers, against Floyd M. Williams of near Knightstown, for \$250 on a note was settled yesterday. It is understood, when the plaintiff dismissed the case and the costs were paid after a jury had been impaneled and sworn, the evidence all heard and the case taken from the jury by the court. Emma Woods was awarded \$250 against the estate of Elizabeth Feltz she having filed a claim for \$615 against the administrator, Charles D. Law.

Stepped Children's Croup Cough
"Three weeks ago two of my children began choking and coughing, and I saw they were having an attack of croup," writes Billie Mayberry, Eckert, Ga. "I got a bottle of Foley's Honey and Tar and gave them a dose before bedtime and soon their cough and all sign of croup was gone." Foley's Honey and Tar is a standard low-priced remedy for colds, bronchitis, la grippe coughs. F. B. Johnson.—(Adv.) 5

ANNUAL MEETING.

The annual meeting of the Stockholders of the Rushville Natural Gas Company will be held in their office in Rushville, Ind., on

Wednesday, April 24th, 1918, at 2 o'clock p. m. for the election of six (6) Directors to serve from one year from that date, and for such other business as may properly come before them at that time.

Heal Skin Diseases

It is unnecessary for you to suffer with eczema, blotches, ringworm, rashes and similar skin troubles. A little zemo, obtained at any drug store for 35c, or \$1.00 for extra large bottle, and promptly applied will usually give instant relief from itching torture. It cleanses and soothes the skin and heals quickly and effectively most skin diseases.
Zemo is a wonderful, penetrating, disappearing liquid and is soothing to the most delicate skin. It is not greasy, is easily applied and costs little. Get it today and save all further distress.
The E. W. Rose Co., Cleveland, O.

Amusements

Japanese Actor at Princess

"The greatest Japanese actor in the work in a story thoroughly human and interesting" is the promise for the program at the Princess theatre this evening when Sessue Hayakawa will appear in "Hushimura Togo." Through the interesting story runs a thread of sparkling humor and romance. The comedy billed is "The Movie Dummy" in which funny scenes of movie picture making are filmed. On Monday, Mudge Evans appears in the patriotic picture, "The Volunteer" and on Tuesday, "The Eternal Temptress," will be shown.

Western Drama at Gem

Tom Mix and Myrtle Stedman are presented at the Gem theatre this evening in a two act western drama, "The Rustler's Vindication." Daring acting of the two principals comes into play in the production. The comedy, "Two Laughs" will also be shown and Pokes and Jabes in "Play Ball." The extra feature on the program is "A Sure Cure For Blues." On Monday, the bill will include "The Martinique Marriage," with Margaret Landis and Philo McCullough in the leading roles. The tales is told of a flower girl, her romance, and the triumph of unconscious love.

"The Very Idea"

"The Very Idea" said to be one of the most successful farces in years will come to Shubert Murat next week for a 3 nights engagement commencing Thursday Apr. 18, and including a Saturday matinee. It is an eugenic farce that William Inge wrote, and which kept New York laughing all this season at the Astor Theatre. It is said to treat the serious subject of eugenics in a humorous vein and to do it intelligently and with a deftness that has never been surpassed before.

Richard Bennett the leading player is surrounded by his own company and his tour which begins here and extends to the coast and back is under the direction of G. M. Anderson and Lawrence Weber. Mr. Bennett is a player of great ability and a propagandist said to be second to none. He is one of the stage's real thinkers and is not afraid to express his opinion on such things as social hygiene and woman suffrage.

In "The Very Idea" he acts the role of an amateur scientist who is interested in the subject of eugenics. When his sister and his brother-in-law decide they will adopt a child, as they have none of their own, he persuades them to let him supply the child. They consent and he finds a healthy couple to be the parents of this eugenic baby. The perfect baby is born in the course of time, but its real mother refuses to give it up to the would be mother.

"The Very Idea" travels on very thin ice, but there is said to be nothing offensive in it, and it's all great fun.
Including Mr. Richard Bennett will be found the following members in the cast: Walter Downing, Robert Bentley, Miss Maria Lord, Namon Welch, Wm. Gorman, Augustus Perry, Clyde Fogel, Grace Gorman.
The Murat Theatre agent in this city is Hargrove and Mallin, and tickets can be had from there at any time.
